Core Values at Cheadle Primary School

At the start of the year, we are re-visiting our core values. We will focus on what each of them means and focus on how they can become part of whom we are and how we can practise them day by day:

Self-Belief

Responsibility

Respect

Resilience

Integrity

New Telephones and New Electronic Devices and Gadgets – Please could we remind all families that if you have changed your mobile phone number over the Christmas break to kindly ensure that we have your new number on record so as to ensure that our Text to Parents system works effectively?

In a similar vein, may we please remind all families that children under the age of 13 years should not be accessing Facebook or similar social media style accounts? We do our very best to warn children of the dangers of being visible on the worldwide web and it is crucial that, as parents, we are vigilant and pro-active in terms of understanding exactly what children are accessing on their mobile phones, tablets and laptops.

We are very aware that a large number of our children are currently illegally active online and we urge all families to please, please monitor your child's internet access. We do not want to spoil any child's fun, however, these age limits are in place for very good reasons and we absolutely want to make sure that every child at CPS stays safe! Thank you to everyone for your support with this matter.

Welcome to Cheadle Kindergarten 2018

Cheadle Kindergarten is now open!!!!!! The brand new Nursery on our CPS site offers high quality care and early education from 7.30am – 5.30pm for 51 weeks of the year. The nursery offers flexible care for parents during the school day and before and after school for children between the ages of 0 – 5 years.

The nursery is situated within the grounds of Cheadle Primary School in a purpose-built building which offers bright and spacious accommodation and a safe and secure outside space allowing provision for children to enjoy the great outdoors on a daily basis. At Cheadle Kindergarten, it is our intention to offer outstanding care and early education for all children enabling them to enjoy all that the nursery has to offer whilst preparing children fully for the start of their school life. We intend to work in close partnership with Cheadle Primary School to ensure that parents in the Cheadle community can access the highest quality education from the earliest stages of their children's lives.

We welcome enquiries from parents and can be contacted by phone or e-mail on:
