Well done everyone!! Keep it up!!!

Stars of the Week - Congratulations to all the Superstars this week. We are extremely proud of the children and hope that, as parents, you enjoy getting your praise texts! Well done everyone – you are a credit to yourselves and our school!

Superstars: Annie Gregory, Harry Forrester, George Birchall, Savannah Day, Alfie Alcock, Ryan Keates, Mavi Balkas, Ellie Downham, Josh Evans, Frank Gavin, Jamie Potts, Victoria Stone, Eliza-Belle Lovatt and both 4H and 4W for a fantastic trip, showing respect and accepting new experiences! Well done!

Hindu Temple Visit – Year 4 - our Year 4 children accompanied by Mrs Hulse and Mr Walmsley and a large number of fantastic parent helpers travelled down the M6 on Thursday to visit a very beautiful Hindu Temple.

Our CPS children were absolutely brilliant throughout the entire trip. They behaved impeccably in a special place of Hindu worship and responded to a totally new environment with inquisitive minds and a super respectful attitude.

The children thoroughly enjoyed themselves as they developed their knowledge and understanding of a culture far different from their own. A special thanks to all our CPS families for supporting this trip and to all those who actually joined us for an adventure outside of school. We really hope we can travel some more this year!

The Cheadle Academy Numeracy Day

Well done to all our Year 6 children who took part in the Numeracy Challenge event up at the High School this week. The children were just exceptional and really enjoyed their problem solving activities and numerical brain teasers. Special thanks to all staff involved for their support of maths in both schools.

Safer Internet Day is being celebrated around the world on Tuesday 6 February 2018.

The theme is create, connect and share respect: a better internet starts with you.

Everyone has their part to play in making the internet a better place, including you!

Have a look at the tips and resources below to help you make a positive change online, stay safe and help your friends.

A better internet starts with you...

It starts with staying safe online.

Keep your personal information safe and check with an adult before you share anything online.

Personal information includes your email address, phone number and passwords.

Never agree to meet up with someone you only know online. No matter how friendly they might seem or how well you think you know them, they are still a stranger.

Always tell a trusted adult if someone online asks to meet up.

1. It starts with being a good friend.

Remember that behind every screen is a real person. Being kind and positive online is just as important as being kind and positive face-to-face.

2. It starts with saying sorry.

Even when we're trying really hard to be a good friend online, things can still go wrong. If you ever upset someone online, even if it wasn't on purpose, then saying sorry is a really powerful and positive action to take.

3. It starts with taking a step back.

Being online is great – there are so many fun and exciting things to do! But being connected all the time can get a little stressful. If being online is making you feel worried, upset or confused, it's always worth taking a step back and having a break from your online activities. .

4. It starts with asking for help.

It's okay to feel worried or upset by something you see online – just make sure you speak to someone about it! Always tell an adult you trust if you see anything that worries you online.

Parents' Consultation Evening

We have our Spring term Parents' Evening on **Thursday 8 February**. We will be using our Text to Parents system and you will be able to book an appointment to see your child's class teacher to discuss their progress and attainment so far this year. Please can we ask that if you do require a lengthier appointment that you kindly arrange an alternative appointment time as we want to do our very best to ensure any unnecessary and lengthy waits.

There will also be time slots for parents of children with SEN to meet with Mrs Satongar, our SENDCo, from 5pm onwards – 10 minutes per appointment. These appointments are voluntary, you do not have to attend but the offer is there if parents would like to take advantage of this. Anyone who is unable to attend on the day can contact the office to arrange an alternative date should you wish.

Thank you and we look forward to seeing you all on Thursday!

Nursery will be having their parents' evenings on Tuesday 6 February and Wednesday 7 February after school until 4.30pm – appointments will not be necessary. Thank you.

Parental Questionnaire 2018

We will be asking all families to complete a questionnaire again this year as part of our self-evaluating school reviews. If you have anything that you believe will make a positive improvement to our school we will really be 'all ears'. Last year, we had a tremendously high return of our questionnaire, which was hugely successful in bringing about many positive changes. In working together, we make our school a better place for us all. Thank you in anticipation of your support.

This week we will be celebrating Safer Internet Day in School. This is a fantastic opportunity to have a conversation with children about using the internet safely, responsibly and positively. Whether you are a parent, grandparent, foster carer, aunt, uncle or older sibling - we can all play a role in empowering children to enjoy their time online! This year, the UK Safer Internet Centre is particularly focusing on the role of the internet in young people's lives in terms of their relationships and digital wellbeing. These conversation starters are a great way to help you talk about these issues with children.

- What do you like most about the internet and why?
- What's your favourite game/app/site?
- How do you stay safe online?
- What tips do you have and where did you learn them?
- Do you know where to go for help, where to find safety advice and how to use safety tools on your favourite apps and games?
- How does the internet/technology make your life better?
- Do you have any tips for how to be positive and show respect online?

Our school website also has lots more information and links to places to go to explore further.
