

Spiritual, Moral, Social and Cultural Development

At Cheadle Primary School, we consider the children's spiritual, moral, social and cultural development to be at the centre of our school ethos and the responsibility of the whole curriculum.

We strive to provide and maintain for our pupils an education that provides opportunities so that they can explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of other cultures.

We believe spiritual, moral, social and cultural development is promoted through the school ethos, the climate of the school, collective worship, all curriculum areas, the school behaviour code, extra-curricular activities and circle time activities.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We, as a school community, have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
