

Cheadle Primary School

Attendance Policy September 2026

1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the statutory guidance on [Working together to improve school attendance](#) from the Department for Education (DfE). We aim to achieve this through our whole-school culture and ethos that values good attendance, which includes:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

At Cheadle Primary School, we will also promote and support punctuality in attending school.

2. Legislation and guidance

This policy is based on the DfE's statutory guidance on [Working together to improve school attendance](#) and [School attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Maintained schools: Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- The [Equality Act 2010](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)
- [Ofsted's 2025 framework toolkit](#)

3. Roles and responsibilities

Our Values

Resilience Excellence Self-Awareness Positivity Empathy Communication Teamwork

- Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
- Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils' needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Holding the headteacher to account for the implementation of this policy

3.2 The headteacher

The headteacher is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing penalty notices, where necessary, and/or authorising the Attendance Manager to be able to do so
- Working with the parents/carers of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority, along with the Attendance Manager, when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents/carers through all available channels

Our Values

Resilience Excellence Self-Awareness Positivity Empathy Communication Teamwork

- Along with the Attendance Manager sharing information from the school register with the local authority, including:
 - Notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times
 - Providing the local authority with the details of pupils who fail to attend school regularly, or who have been marked with an unauthorised absence for a continuous period of 10 school days
 - Providing the local authority with the details of pupils who the school believes will miss 15 days consecutively or cumulatively because of sickness

3.3 The designated senior leader responsible for attendance (pastoral leads)

The designated senior leaders are responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents/carers to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

The designated senior leaders responsible for attendance are Rachel Castle, Deb Satongar and Hannah Bostock and can be contacted via 01538 714890

3.4 The attendance manager

The school attendance manager is responsible for:

- Monitoring and analysing attendance data (see section 9)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher
- Working with education welfare officers and other agencies to tackle persistent absence
- Advising the headteacher (authorised by the headteacher) when to issue fixed-penalty notices

The attendance officer is Caroline Chell and can be contacted via 01538 714890 or cchell@cheadle-primary.staffs.sch.uk

3.5 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office as soon after the session begins as possible.

3.6 School office staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system

- Transfer calls from parents/carers to the pastoral leads where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

The definition of a parent is defined in section 576 of the Education Act (1996) as:

- the biological parents of a child, whether they are married or not
- any person who has parental responsibility for a child
- any person who has the care of a child i.e. lives with and looks after the child

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 8:30am on the day of the absence (and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 2 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting their child's class teacher or the pastoral lead for their phase who can be contacted via the school office.

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils on this register. This is done using the Arbor MIS system.

We will take our attendance register at the start of each morning session of each school day and once during each afternoon session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending a place other than school
- Absent
- Absent – unable to attend due to unavoidable causes
- Absent – part time timetable

Any amendment to the attendance register will include:

- The original entry

Our Values

Resilience Excellence Self-Awareness Positivity Empathy Communication Teamwork

- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:30am and ends at 3pm.

Pupils must arrive in school by 8:30am on each school day. Gates are open from 8:20am

The register for the first session will be taken by 8:45am and will be kept open until 9am.

The register for the second session will be taken at 12:45pm (EYs / KS1) and 1pm (KS2) and will be kept open until 1pm (EYs / KS1) and 1:15pm (KS2).

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8:30am or as soon as practically possible, by calling the school office staff, who can be contacted via 01538 714890. Please leave a message if required. Please do not email school to inform of an absence.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. We may request to see an appointment card / letter and may require to keep a copy on file.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. See section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code

- After the register has closed will be marked as absent, using the appropriate code

Our Attendance Manager will analyse all attendance data, including levels of punctuality. If concerns are raised, parents will be informed via letter the nature of the concerns and the steps they need to complete to help improve. If punctuality does not improve, parents will be asked to attend a meeting where necessary support can be put in place.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact the Education Welfare Team at SCC.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary
- Where relevant, report the unexplained absence to the pupil's social worker and/or youth offending team officer
- After the 3rd day, complete a 'safe and well' visit, in line with our safeguarding practices
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: issue a notice to improve, penalty notice or other legal intervention (see section 7 below)

4.6 Reporting to parents

The school will regularly inform parents (see the definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels via half termly reports from Arbor.

5. Authorised absence

5.1 Approval for term-time absence

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- A temporary, time-limited part-time timetable. These are used in very exceptional circumstances and will have a proposed end date. They will be used for the shortest time possible and will form part of wider support around the child.
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as rare, significant, unavoidable, and short-term events.

Examples include:

- Medical emergencies
- Family emergencies (e.g. death of a relative)

Schools can only allow leave of absence in exceptional circumstances. Requests must be made in advance by a parent the child normally lives with. Each request is considered individually, based on the facts and background.

If leave is approved, the school decides how long the child can be away. The department for Education does not see holidays or leisure trips as exceptional circumstances. So, time off for a holiday is very unlikely to be approved.

If a parent does not request leave and the school suspects the child has been taken on holiday, the school will send a letter to the parent.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

5.2 Other reasons for authorised absence

Other valid reasons for authorised absence include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart for religious observance
- Parent(s) travelling for occupational purposes – a pupil is a mobile child if their parent is travelling in the course of their trade or business and the pupil is travelling with them. In these circumstances a pupil will be considered as a mobile child, provided they are of compulsory school age and have no fixed abode and whose parent is in a trade or business that requires them to travel from place to place
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

5.3 Absences from the school site (which are not classified as absences)

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings. These are not classified as absences. Reasons include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority

Our Values

Resilience Excellence Self-Awareness Positivity Empathy Communication Teamwork

- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

6. Strategies for promoting attendance

We want our pupils to succeed and develop their skills. To do this, pupils need to avoid missing days of school as much as possible. As a school, we want to reward high attendance and not just penalise pupils for poor attendance.

We celebrate good attendance and improving attendance via our whole school display. We also celebrate good and improving attendance via our newsletters. Parents also receive praise letters where attendance has improved.

7. Supporting pupils with poor attendance

Our school will make use of the full range of support and potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

7.1 Attendance Action Plan

We use attendance action plans as a form of attendance support. (See appendix 2 below)

An attendance action plan is a written agreement between a parent and the school to address irregular attendance at school. An attendance action plan provides a more formal route where previous support has not worked or would not have been appropriate. This is completed in conjunction with the child, parent and school and helps to identify barriers to attendance and/or punctuality.

Where an attendance action plan would be an appropriate form of support, the school will arrange a meeting with the parent (and pupil if they are old enough to understand) to discuss how we can work in partnership to improve the pupil's attendance.

Where parents fail to comply with an agreed attendance action plan, the school may seek an alternative course of action. In the first instance, this will include discussions with the parents to seek explanations and determine whether the attendance action plan remains useful. Where there is further non-compliance following these discussions, the school may take further action.

7.2 Education supervision order

In cases where voluntary early help plans and attendance action plans have been unsuccessful, we may work with the local authority to issue an education supervision order. If an education supervision order is considered, the local authority will inform the parent(s) in writing and will set up a meeting.

- **Purpose:** To provide a structured, long-term support system to help parents overcome barriers to their child's school attendance.
- **Actionable Support:** The [Staffordshire County Council](#) Education Welfare team works with families to improve attendance and punctuality.

- **Legal Duty:** Under Section 19 of the Education Act 1996, the local authority must ensure children of compulsory school age receive suitable education if they cannot attend school due to illness, exclusion, or other reasons.
- **When it is used:** ESOs may be considered when a child is not attending school regularly, as part of the council's effort to address poor attendance.

An education supervision order is a formal intervention but **not** criminal prosecution.

An education supervision order initially lasts for 1 year, but it can be extended within the last 3 months for a period of up to 3 years at a time.

In cases where parents persistently fail to meet the directions given under the education supervision order, they may be liable to a fine of up to £1,000 upon conviction.

7.3 Notice to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

A notice to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

It will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued, or prosecution considered, if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

7.4 Penalty notices

The headteacher (or the Attendance Manager, authorised by the headteacher), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, we will check with the local authority before doing so, and send the local authority a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Our Values

Resilience Excellence Self-Awareness Positivity Empathy Communication Teamwork

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

8. Supporting pupils who are absent or returning to school

8.1 Pupils absent due to complex barriers to attendance including SEND, being disadvantaged, being known or previously known to children's social care

If the school becomes aware of barriers that relate to the pupil's needs, we will inform the local authority. We will work with the local authority, specialist services and the family to create an attendance action plan. These will be bespoke to the needs of the individual child. They will could contain reasonable adjustments and/or interventions.

Where a pupil has an education health and care (EHC) plan and their attendance falls, the school will inform the local authority.

8.2 Pupils absent due to mental or physical ill health

If the school becomes aware of barriers that relate to the pupil's mental or physical needs, we will work with the local authority, specialist services (including making a referral to EBSA or the school nursing team if appropriate) and the family to create a reintegration and attendance action plan. These will be bespoke to the needs of the individual child. They will could contain reasonable adjustments and/or interventions.

8.3 Pupils returning to school after a lengthy or unavoidable period of absence

When a child is returning to school after a lengthy or unavoidable period, we will work with the local authority, specialist services and the family to create a reintegration and attendance action plan. These will be bespoke to the needs of the individual child. They will / could contain reasonable adjustments and/or interventions.

8.4 Prolonged absence for children in the EYFS

In cases of prolonged absence, or when a child is absent without notification, we will attempt to contact the child's parents and alternative emergency contacts.

When deciding whether a child's absence should be considered prolonged, we will consider the:

- Patterns and trends in the child's absences and their personal circumstances
- Vulnerability of the child and their parents, as well as the circumstances of their home life

We will also implement our safeguarding procedures (see our child protection/safeguarding policy (available from our school website or the school office) and refer any concerns to local children's social care and/or request a police welfare check.

Cheadle Primary School expect all children attending our reception class(es) to attend school in line with this full policy.

8.5 Remote education and the attendance register

Remote education is not a substitute for physical attendance and will only be used as a last resort for pupils who are unable to attend school in person. Its use must be part of a wider, time-limited reintegration plan to support the pupil's return to the classroom, and will only be implemented after all other reasonable adjustments have been considered.

In accordance with national statutory guidance, pupils receiving remote education must still be marked as absent in the attendance register. Staff must use the most appropriate absence code that reflects the reason the pupil is unable to attend the school site (for example, Code I for illness).

While Cheadle Primary School will record and monitor a pupil's engagement with remote learning to ensure educational continuity, this engagement is not formally tracked as "present" within the legal attendance register. This approach ensures the register remains an accurate record of a pupil's physical presence at the school during the required sessions. The school's primary aim remains ensuring every pupil has access to the full-time, in-person education to which they are entitled.

9. Attendance monitoring

9.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) weekly, half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

To support national attendance monitoring and reduce the administrative burden of manual reporting, Cheadle Primary School participates in the Department for Education's (DfE) automated data sharing initiative. The school utilizes the Arbor Management Information System (MIS) to maintain its attendance registers, and by granting the DfE secure access to this system, the flow of required pupil information is completely automated.

This automated data sharing is expected to facilitate the following:

Our Values

Resilience Excellence Self-Awareness Positivity Empathy Communication Teamwork

- Access to Near Real-Time Data: By sharing data directly from the MIS, the school gains access to the "View Your Education Data" tool. This allows school leaders and the governing board to monitor pupil-level attendance and identify emerging patterns or trends as they happen, rather than waiting for termly reports.
- National and Local Benchmarking: The school will use this automated data to benchmark its performance against local, regional, and national averages, as well as against similar schools. This analysis helps the Senior Attendance Champion and the governing board focus improvement efforts on the specific cohorts or individuals who need it most.
- Collaboration with the Local Authority: Beyond the DfE, the school is expected to share information from its registers with the local authority. To avoid unnecessary manual data collection, the school aims to use automated data flows (such as through a data aggregator) to provide the local authority with the information required for Targeting Support Meetings and statutory returns.
- Reduced Administrative Burden: Once the school has granted permission for automated sharing, it replaces the need for time-consuming manual data returns, ensuring that staff can focus their resources on direct support for families and pupils.

The school remains the data controller for the information held in its MIS and ensures that all data sharing is conducted in accordance with the law and relevant data protection guidance

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

9.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

9.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils we have identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 9.4 below)
- Provide regular attendance reports to class teachers and senior leaders (pastoral leads, DSL, SENDCo, EYFS lead) to facilitate discussions with pupils and families, and to the governing board and school leaders.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

9.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 7, above)

The school will use the following process to initial support/review:

- Expectations for everyone: Cheadle Primary School is a place where all children Aspire, Believe, Achieve through excellent school attendance.
- Attendance of 96% - no action
- Attendance of 90-95% - Monitoring children – parents will receive a letter to inform them of improvement required. If necessary, early intervention considered as a preventative measure.
- Attendance of 90-85% - Review children – the Attendance Manager will use wider information to decide if the child(ren) remain on the monitoring list (i.e. in circumstances of improving attendance) or move to the targeted children.
- Attendance of less than 85% - Target children – the Attendance Manager will arrange for a meeting with the child (if appropriate), parents, class teacher and pastoral lead to complete an attendance action plan meeting. During this meeting, a bespoke plan will be written, gaining the voice of the child and family as to the barriers for attendance and solutions as to how together these can be removed. It may be that referrals to external agencies are completed to gain a full support package.

Cheadle Primary School Attendance Expectations

Cheadle Primary School is a place where all children
Aspire, Believe, Achieve
through excellent school attendance.

10. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Headteacher and Attendance Manager. At every review, the policy will be approved by the full governing board.

11. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
